CUBAN CRISIS APPROACHING.

Believed That Congress Will
Take Some Action For the
Hapless Island Next
Week.

More Toll Gates Raided in the
State Last Night—Remark-
able Escape of Ocean Voy-
agers From Death.

Washington, Feb. 12.—It is be-
lieved here that congress will take
some decided action next week in be-
half of Cuba. The De Lome affair
has exposed Spanish duplicity to such
an extent that it is thought that con-
gress will refrain no longer. It is
an open secret that Speaker Reed ad-
mits that he can not restrain the
house much longer. Just what form
the action will assume is unknown.

NARROW ESCAPE

Steamer Sinks In Mid Ocean. But
the Passenger List All Saved.

New York, Feb. 12.—Intelligence
has reached here of the sinking of
the steamer Vesuvius in mid-ocean.
The ill-fated steamer had an immense
passenger list, all of whom were
saved by the steamer St. Louis.

Judge Hoffington Desires Against

Pittsburg, Pa., Feb. 12.—At a
special session of the United States
court at 1:45 o'clock yesterday af-
ternoon Judge Hoffington decided
that Chris Von der Ahe must remain
in charge of Detective Bendel, who
abducted him from St. Louis.

Von der Ahe will take an appeal.

Kottawa, Ky., Feb. 12.—The
statement printed Thursday from
Kottawa that petitions would be cir-
culated in this county calling on ex-
Gov. Brown to run for governor on
Capt. Stone as lieutenant. The peo-
ple of this county have ex-
pressed but they are for Hon. W. J.
Stone for governor to a finish.

FROZEN TO DEATH.

Five Men Died of Cold on Chilkoot
Pass.

Victoria, B. C., Feb. 12.—Ac-
cording to news from Alaska by the
city of Topeka, one of the small
steamers plying between Juneau and
Seward brought word just as the
Topeka sailed that five men had been
frozen to death on the Chilkoot Pass
and three others brought to Dyak,
although names or places were not
yet obtainable.

Bryan May Not Come.

Frankfort, Ky., Feb. 12.—Rep-
resentative Humphreys has received a
letter from Mr. Wm. J. Bryan stat-
ing: "It will not be possible for me
to come by February 22. I am not
certain that I will be able to com-
mencing the session. Previous prom-
ises, and accumulation of work, pre-
vent me from being able to make
definite promise."

AFTER MURPHY.

New York Legislature Will Resolve
Against Him Monday.

Albany, N. Y., Feb. 12.—In the
state senate yesterday the Brush and
Weeks resolutions in regard to United
States Senator Murphy were made
the special order for Monday evening.
The Weeks resolution, which passed
the assembly Thursday, censures
the senator for his vote in favor of
the Teller bill. The Brush resolution
ensures the senator and demands his
resignation for the same reason.

TANNER IS FOR WAR.

The Governor of Illinois Thinks the
Murders in Cuba Should Cease.

Springfield, Ill., Feb. 12.—Gov.
Tanner, in a proclamation yesterday
requesting contributions to the relief
fund authorized by President McKin-
ley, said:

"While I approve and second the
action of the president in this regard,
it is deeply impressed upon my mind
that measures of temporary relief are
but palliative in their nature, and
that while their effect is partly good,
it is also partly injurious and deplora-
ble. What is demanded at our
hands, in my judgment, is preven-
tion, which can be secured only by
using all the influence and power of
the government to put an end to the
civil war in Cuba, for which the time
now seems fully ripe, by recognizing

the Cuban republic and insisting that
the freedom and independence of the
Cuban people shall be respected
throughout the world.

NO SIX DAY RACES.

L. A. W. Abolished Them and
Fixed a Salary for Mott.

St. Louis, Feb. 12.—The L. A.
W. yesterday adopted an amendment
to the by-laws providing for the pay-
ment of a salary of \$3,000 per an-
num to the chairman of the racing
board, and the other members there-
of shall be allowed such sums an-
nually for the expenses of the office
as shall be fixed or shall be approved
by the national assembly. Six days
continuous racing held under L. A.
W. auspices was done away with by
the adoption of an amendment to the
racing rules.

ARMED GUARDS.

Ready to Prevent Tollgate Raid-
ing in Bracken County.

Augusta, Ky., Feb. 12.—Five
heavily armed guards are on duty at
five tollgates in this county. While
there has been no raiding reported
lately, it is feared it is only the calm
before the storm.

The general belief is that the raid-
ers will not stay away from the
guarded gates, and when they at-
tempt any more marauding there will
certainly be bloodshed.

SHOOTING AT PRINCETON.

Princeton, Ky., Feb. 11.—While
the negroes were preparing for a
well-entertained at the colored
Methodist church last night, Foster
Eckles shot Arthur Thompson with a
pistol, the shot taking effect in the
stomach. Eckles fled but was cap-
tured today and lodged in jail.

SAGASTA WAS SURPRISED.

The Premier Says He Regrets the
Spanish Minister's Folly.

Madrid, Feb. 12.—The premier,
Senor Sagasta, said to the correspon-
dent of the Associated Press: "I
was surprised at Senor de Lome's
letter, for in all his communications,
official and private, addressed to the
government, he spoke respectfully of
President McKinley. I regret De
Lome's indiscretion and folly for he
has rendered Spain signal service at
Washington."

On the question of Senor De
Lome's successor, Senor Sagasta was
reticent.

According to a dispatch received
here from Havana, the letter of Senor
De Lome to Senor Canalejas was
submitted by the person charged to
forward it to the latter, and it is
added, this person received \$1,000
for it.

MAN OF MANY ALIASES.

"Billy Patterson," "Doctor Tan-
ner," "Box Car Bill," and
Others—Before Judge
Sauders.

He Tells a Very Complicated and
Conflicting Story Before
the Court. Other Po-
lice Court News.

William Johnson, alias Mr. Patter-
son alias George Watson, alias "Dr.
Tanner," alias "Box Car Bill," was
in Judge Sanders court this morning
charged with stealing two huge pieces
of leather from Michael Bros. The
store door was found open one morn-
ing and the leather was missing.
Dock Boyd is the man who de-
serves credit for catching Johnson.
He ascertained that Johnson had the
leather, and made an engagement
with him to buy it. When Johnson
delivered the leather he was nabbed
by the officers in waiting. The
leather is worth \$30 or more.

Johnson was introduced in his
own behalf, and contradicted him-
self many times. He said his home
was wherever his hat was off, and
told where all he had been during
the last two months. He said he
came here from Nortonville,
and afterward said he came here from
Memphis. He claimed he got the
leather about a month ago from a
man in a wagon, trading him a shot
gun for it. He never saw the man
before, and hadn't seen him since.

He admitted that he served a term
in jail here about a year ago for steal-
ing shirts, and said he then went by
the name of George Watson. He
said he had two names, that of his
father and that of his mother, and
sometimes went by one and some-
times the other. County Attorney
Graves asked him which was his
mother's name. William Johnson or
George Watson. The prisoner at-
tempted to evade the question with
the most remarkable sang froid,
and his mendacity was so palpa-
ble that oftentimes he himself
would pause and smile at his own
blunders. He appears to be about
25 years of age, and is evidently an
old timer in the business. The evi-
dence against him is conclusive, and
he will likely be held over Monday,
to which day the case was continued.

Ed Marable and John Pete Kaker,
fined \$100 and given 30 days in jail
for creating a disturbance at Ter-
rell's stable some time ago, were
brought into court and had the fine
suspended. They were recognized
in the sum of \$100 for their good be-
havior.

The case against Marshall Owen,
colored, charged with knocking old
man Warner down, was left open
until Monday. False swearing war-
rants will be issued against some of
the witnesses in the case.

A FORTUNE

Awaits the Heirs of F. Rosen-
kranz—Formerly of
Paducah.

Mayor Lang Receives a Strange
Looking Letter—Heirs Be-
lieved to Be in Ev-
ansville.

Mayor James M. Lang today re-
ceived a letter that has traveled
thousands of miles. It is a queer-
looking missive covered with foreign
stamps obliterated by writing in
tongues unknown to the average citi-
zen, and disfigured with inscriptions
scratched by postmasters, dead letter
officials and steamship mail agents.

The letter was delivered to Mayor
Lang today, and he handed it over to
Dr. A. List, his physician, who at-
tempted in vain to decipher it. The
letter is written in German on
one sheet of paper, which was folded
in such a manner as to answer for
envelope and all.

The letter is from Ferdinand
Ribitzky, and is dated Sept. 7, 1897,
and was written at Castle Cremon,
Schweitz, province of Brandenburg,
Germany, and is making inquiry
relative to the present whereabouts of
F. W. Rosenkranz, who emigrated to
Paducah in 1887, and began busi-
ness here as a jeweler, or his heirs.
Since the '70s he had not been heard
from. There is now an inheritance
that relatives desire to apportion, and
they desire to learn where either
Rosenkranz or his children reside. A
fortune awaits them, but the amount
is not given.

The letter reached America the
latter part of September, but the New
York postal authorities could not
translate the address, and returned it
to Germany.

It was then re-directed, and made
its third trip across the Atlantic and
came to Paducah.

Postmaster Clark found no one to
send it to, and forwarded it to the lead-
ing office. It was then sent hither
and thither until it reached Mayor
Lang this morning.

Many of the older citizens remem-
ber Rosenkranz. He came to Paducah
about the year named above, and
had a jewelry and watch making shop
in the building formerly occupied by

Frank Martin's leather shop on Broad-
way near Second. Mr. F. Hummel,
the well known gun smith of North
Fourth, had a shop in with him.
Rosenkranz afterward went to Evans-
ville and opened a saloon, but came
back to Paducah and died about
1864. One of his sons, Conrad, was
in the confederate army and was
killed. Mrs. Rosenkranz, wife of
the deceased, now lives in Evansville,
according to reports, as does her
youngest son, Emil Rosenkranz.
They will likely be glad to receive
the pleasant news.

LOCAL MENTION.

Trouble at Harbin.

The Harbin correspondent of the Marshall County Star says: "On last Saturday John Greenfield, Jr., had his trial in the police court for horse-whipping Mr. Jim McDaniel and was fined \$1 and the costs, all of which amounted to about \$8. The cause of the trouble was brought about on account of Robert McDaniel, the depot agent, waiting Greenfield to pay the balance on a freight bill, which was only 25 cents. Now John has had his trial and the two McDaniels will be tried next Saturday for figuring in the same little row.

TO PROTEST.

Railroad Men Held a Meeting Last Night.

Some of the railroad men of Paducah, following the example of rail road men in other parts of the state, held a meeting last night to express their disapproval of the railroad commissioners' bill now before the legislature. They universally denounced it as inimical to their welfare, and will send a delegate to Frankfort to enter formal protest.

This bill will materially effect all railroad men in the state, from car wiper up to superintendent, as it will give a few men practical control of the railroads, and thus militate against their prosperity, for anything that is injurious to the company is injurious to its employees.

The railroad men in Paducah are very anxious to see the bill defeated.

WOMAN TO WOMEN.

A Few Valuable Hints From Mrs. Annie Jennings Miller.

"I am a woman, therefore I can understand women."

This expression was made by Sarah Bernhardt, the world famed actress, after creating a part in which the complex nature of woman was specially portrayed. Mme. Bernhardt, pictured the character true to life and her remark was in answer to a complimentary expression after her pronounced success.

The expression was true. Women do understand other women and their pleasures and troubles. They know what they need. Mrs. Annie Jennings Miller began this study early in life and has continued it ever since. She investigated the subject of appearance and the result was her book "Physical Beauty and How to Obtain It." She studied the subject of dressing and has done much to aid women in this important and delightful art. She studied the subject of Women's Physical Health and as a result discovered what she believes to be the proper means of constantly preserving it. In writing upon this subject, she said:

"It gives me pleasure to express my faith in the virtues of the well known discovery which is the only medicine I ever take or recommend. Six years ago I received the most pronounced benefit from its use at a time when, suffering from mental overwork, and I have subsequently in my travels as a public lecturer recommended it to many people and personally know of several cases where it has succeeded when the doctors failed. This discovery was Warner's Safe Cure."

"Although I am now a perfectly well woman, I take several bottles of Safe Cure every spring, believing in the value of prevention rather than the necessity for the pound of cure, and in every instance Safe Cure has the effect to give me energy and vitality to all my powers."

Mrs. Miller's experience has been proven true in millions of other instances of women who were suffering and unhappy, and who by means of standard discovery are now in the possession of perfect health and are kept so by a continued use of this grand preparation.
